

4/16/69

Dear Gary,

Found a letter from you in the field this a.m.

Reminds me you have been silent for a long time- since before Thanksgiving.

Why?

Hope you are all well.

That beautiful boy must be a real delight by now!

I've published three books in limited editions - cannot afford to print and cannot get done commercially.

Several others in various states of completion.

Best regards,
